The last four days has been a countdown for the release date reveal. Think about it we've been

waiting for the release date of the release date reveal.

As the year draws to a close, I've been thinking a lot about this space and what I can do in the new year to challenge myself (and hopefully you) in new.

Synopsis: Roger, an enforcer at the Washington wolf shifter pack's Bound and Bonded BDSM club, met his fated mate Cam when the lad was just twelve years old.

Romantic comedy gets a bad rap. And I get it. As someone who has watched, read, and (full disclosure) lived a fair number of cringe-worthy-but-not-in-a.

Quartz is the most abundant crystal on the planet and is a silicon dioxide crystal with hexagonal crystal system and a hardness of around 7. Clear Quartz.

As a Writer: Literary Cohesion. In my post about editing a few days ago, I referenced cohesion, and I've received requests to clarify this concept.

Hello Everyone, As many of you know, I love to feature special people on Wednesdays as my Guest Readers. Jana Smith does far more than read this blog.
