Please [Click here](#) or on the link below to read the book in its entirety

married with children meets zombie land in this gory, realistic, and often laugh out loud survival adventure with a modern family

Tooth and Nail by Craig DiLouie. This is the way the world ends. Not with a bang, not with a whimper, but a slaughter. As a new plague related to the rabies virus.

Most of us think of Mustard Gas or some form of Nerve Gas like Sarin when we hear the words 'Biological Weapons'. In reality, a biological weapon or as.
