It takes time for what has been erased to resurface. Traces survive in registers, and nobody knows where these registers are hidden, and who has custody of.

Patrick Modiano, ayant retrouvé un avis de recherche dans un numéro de Paris-Soir du 31 décembre 1941, décide d'enquêter sur la jeune Dora Bruder, née le 25.

Dora Bruder, by Patrick Modiano (translated by Joanna Kilmartin), is a book that was an intriguing and compelling read for me. From Modiano's first spark.
